

Dream Music

Fresh Start Ministries announces a new music program for young people.

Due to these hard economic times, many schools are cutting back or eliminating entirely their music programs. Therefore, FSM's Music Program will be offering vocal and instrumental training, starting on Thursday, October 6 from 5-7 p.m.

We also NEED your help!
We NEED instruments!

If you have any old musical instruments that you would like to donate, we could use them for the less fortunate youth we serve.

Your tax deductible donation would be most appreciated. Thank you for your kind and generous assistance.
